IBM Account:

The screenshot shows the IBM Cloud user interface. At the top, there's a navigation bar with 'IBM Cloud', a search icon, and links for 'Catalog', 'Manage', and various utility icons. A left-hand sidebar lists navigation options: 'Account', 'Account resources' (with sub-items like 'Resource groups', 'Cloud Foundry orgs', 'Licenses and entitlements', 'Tags', 'Dashboards'), 'Account settings' (highlighted), 'IBM Cloud Shell settings', 'Notification distribution list', 'Classic infrastructure', and 'Subscriptions'. The main content area is titled 'Account settings' and displays account information for 'Dhamini Devaraj's Account' with ID 'b4c0abfa31e04c1dacf948cf8d22d909'. It specifies the 'Account Type' as 'Trial (Free)' with '395 days remaining in Trial'. Below this, the 'Account upgrade' section promotes the 'Pay-As-You-Go' option, explaining that it unlocks the full power of IBM Cloud while maintaining eligibility for free runtime and service allowances. A blue button labeled 'Add credit card' is prominently displayed at the bottom of the upgrade section. A small chat icon is visible in the bottom right corner of the main content area.
